Screen C

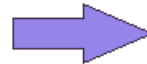

The back arrow returns the user to the main screen (previous page).

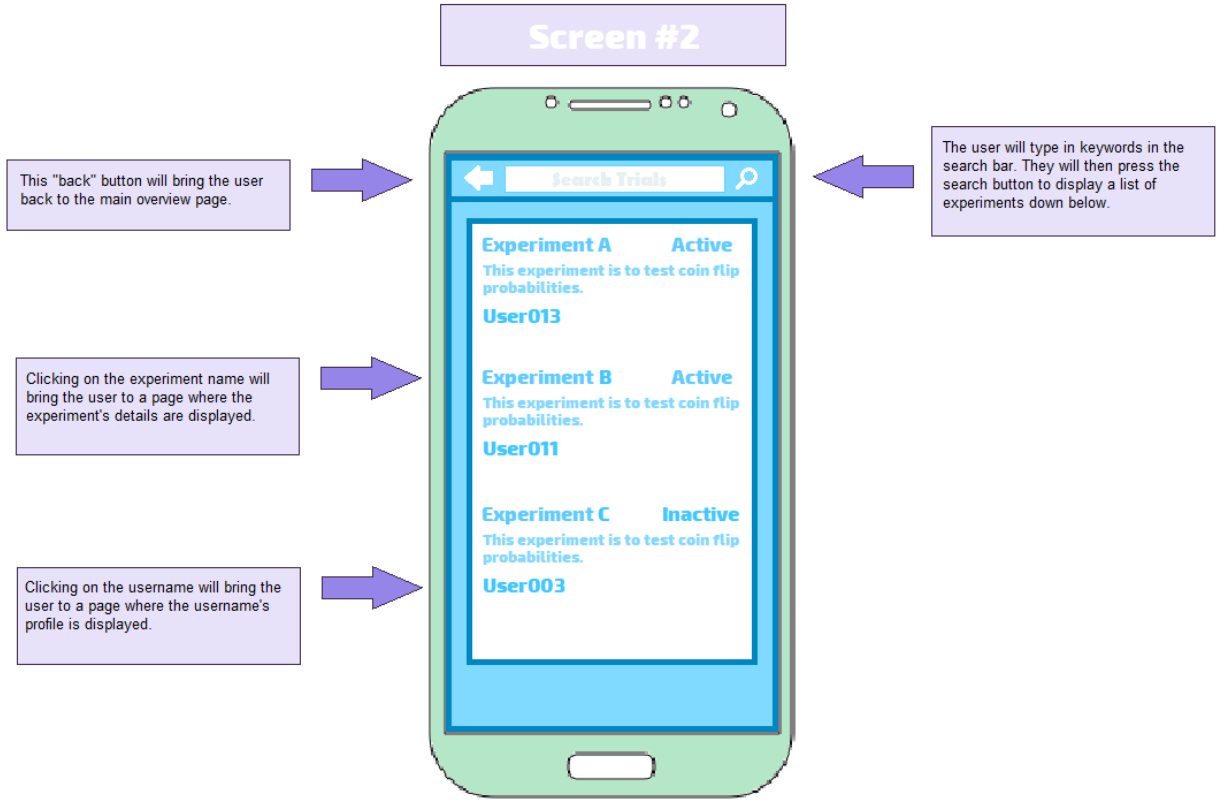

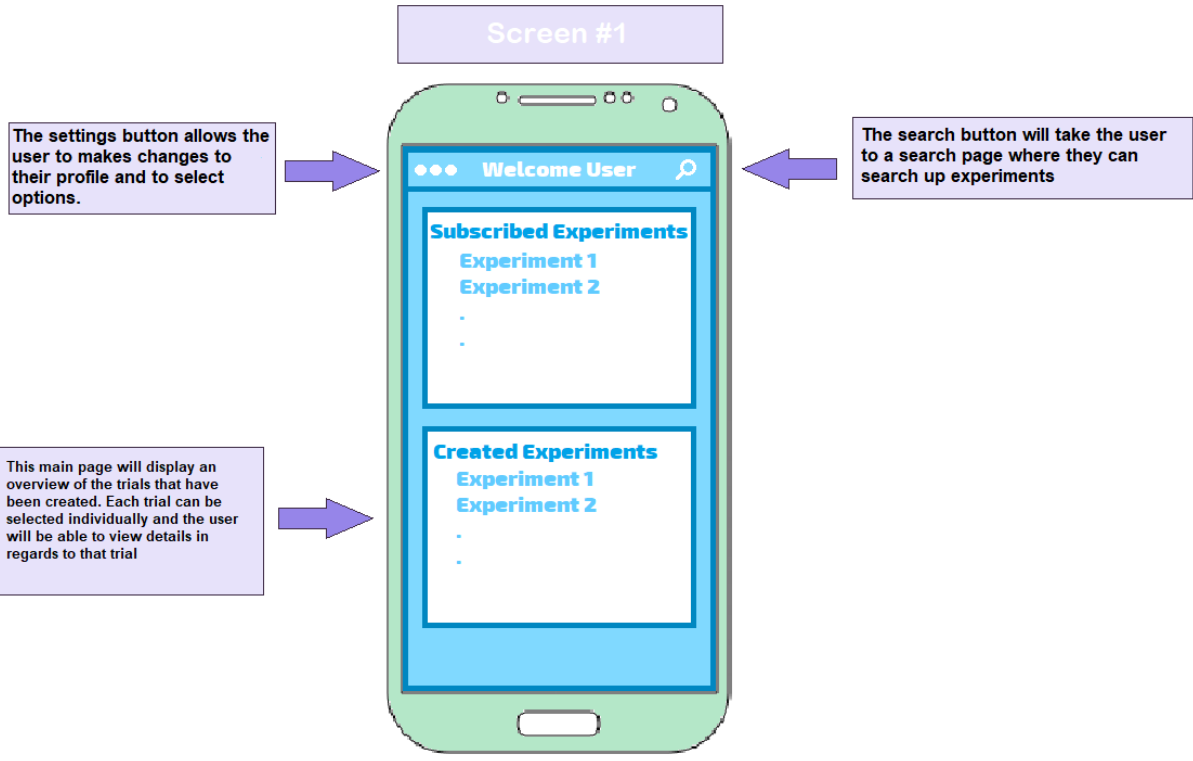

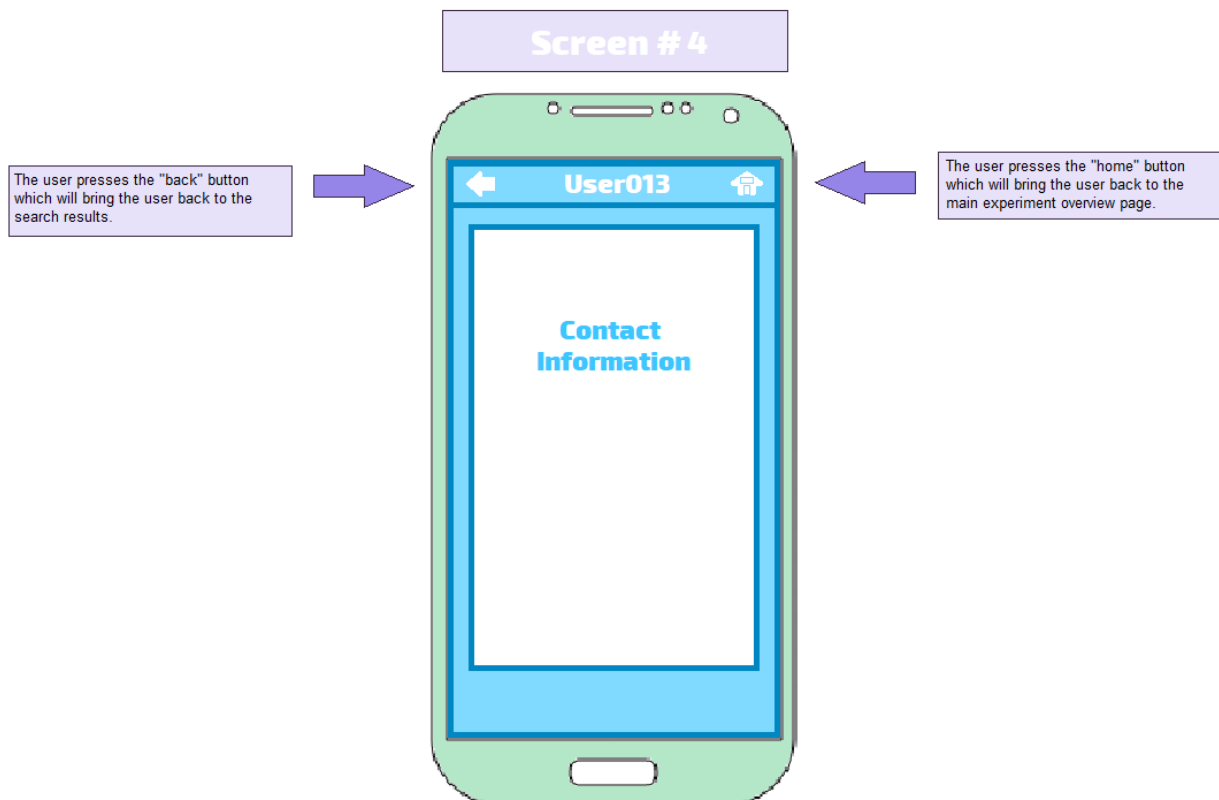

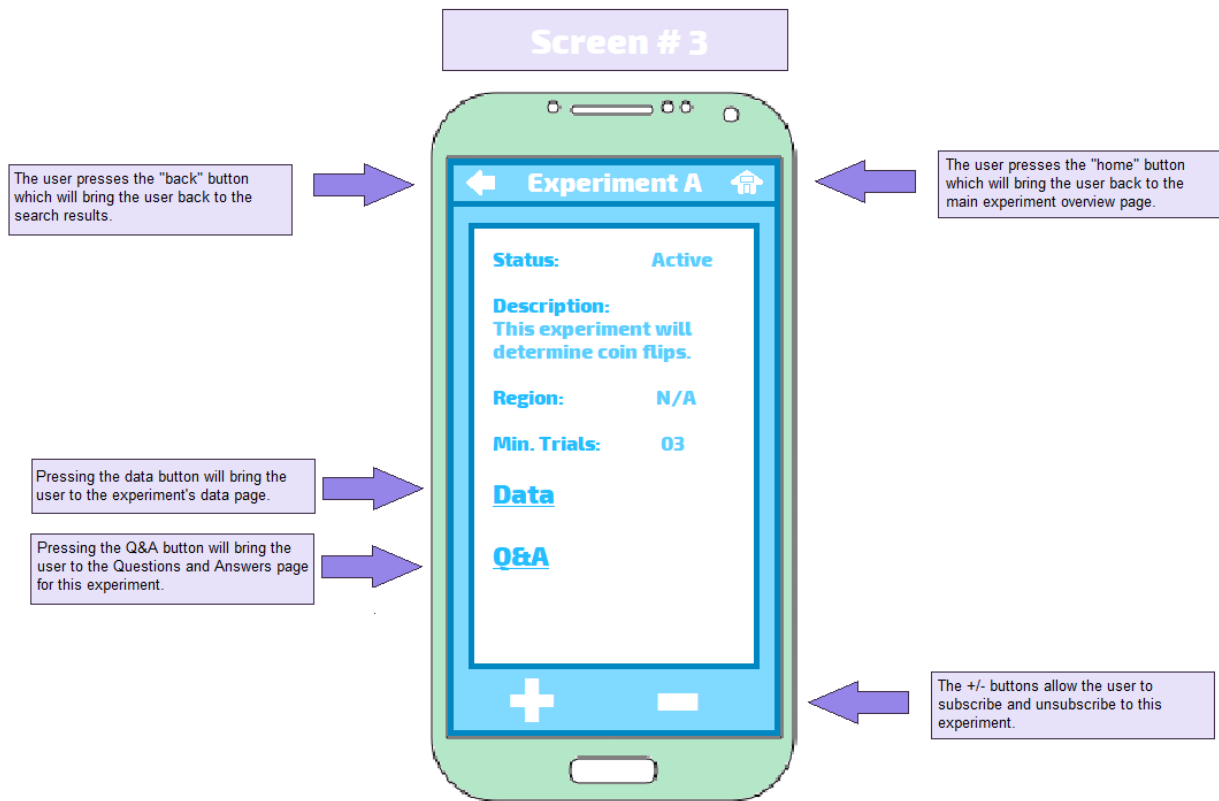

The user enters an email in the text box.

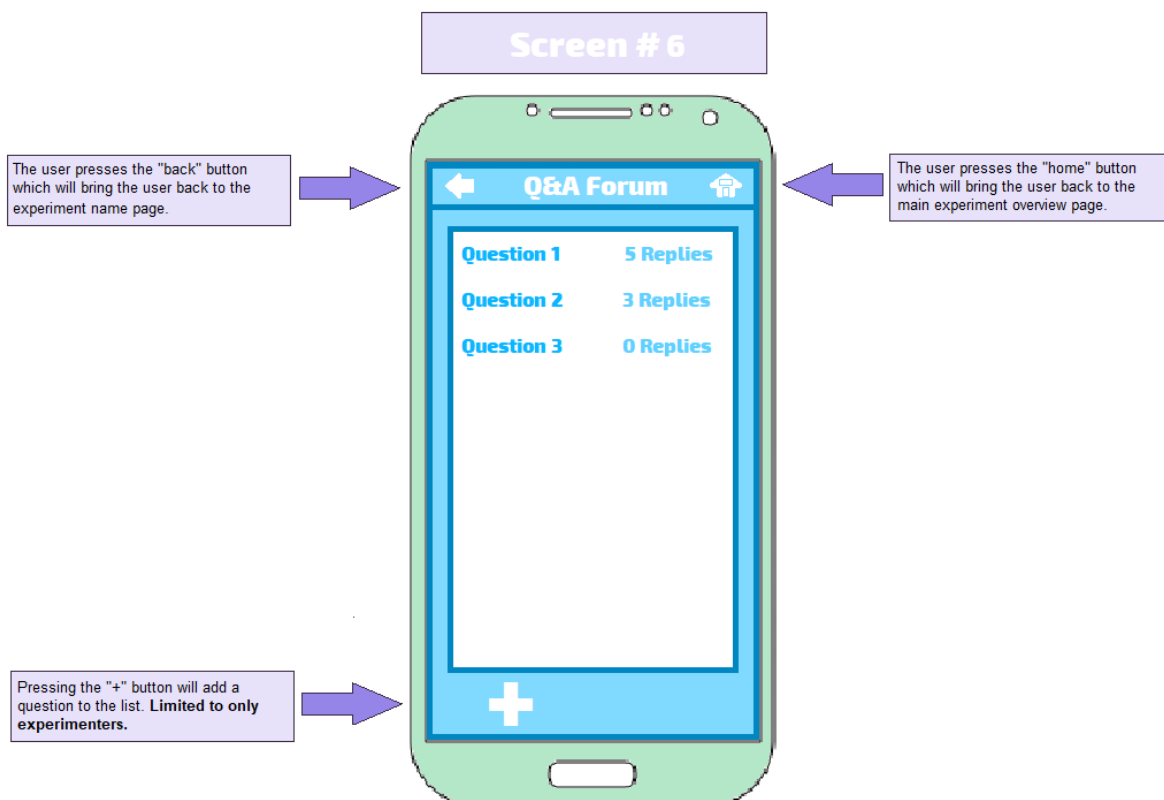

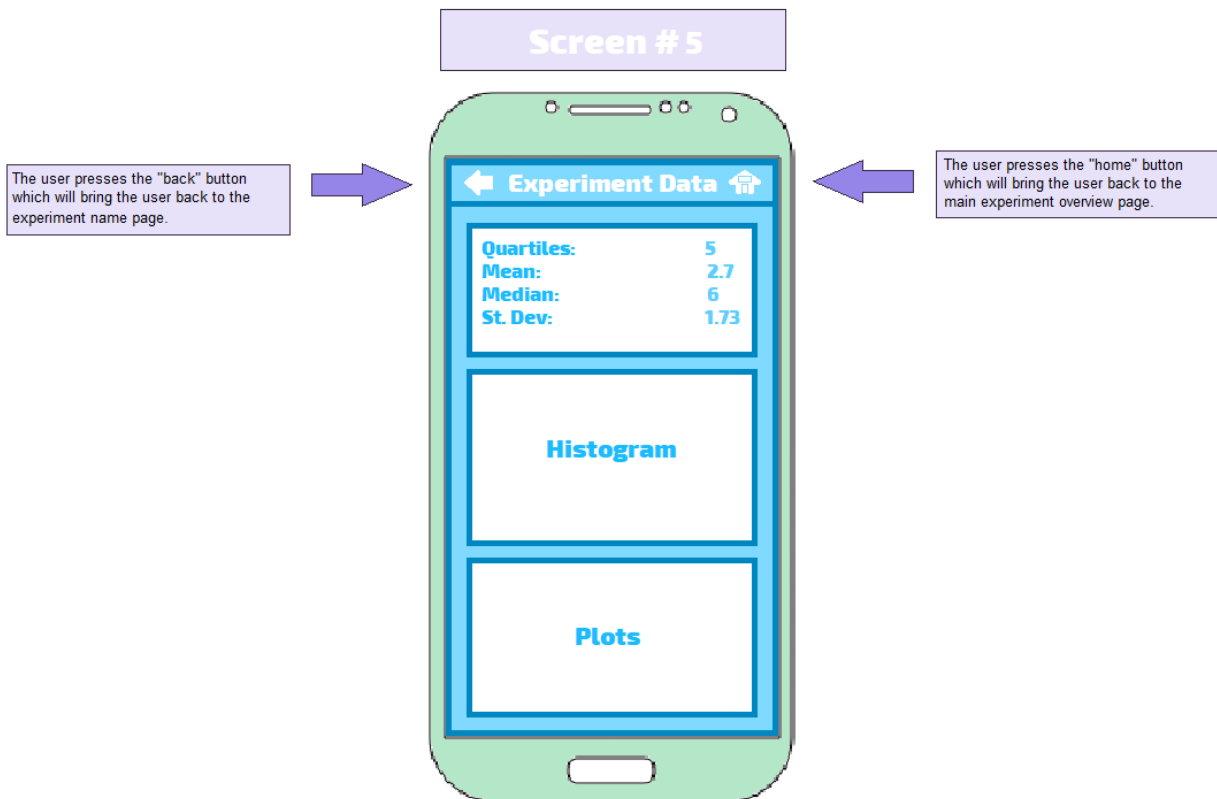

The user presses the send button when they are finished entering in their email address.

A green smartphone displaying the 'Account Recovery' screen. The screen has a light blue background and a dark blue border. At the top left is a white back arrow. The title 'Account Recovery' is in bold white text. Below it, the instruction 'Enter your registered email address' is in bold dark blue text. A white text input field with a dark blue border contains the placeholder text 'Enter Email Address' in light blue. Below the input field is a large white 'Send' button. At the bottom, in small dark blue text, it says '(A code will be sent to your email, enter it at the next step)'. The smartphone has a green bezel, a white home button at the bottom, and three small circles at the top.

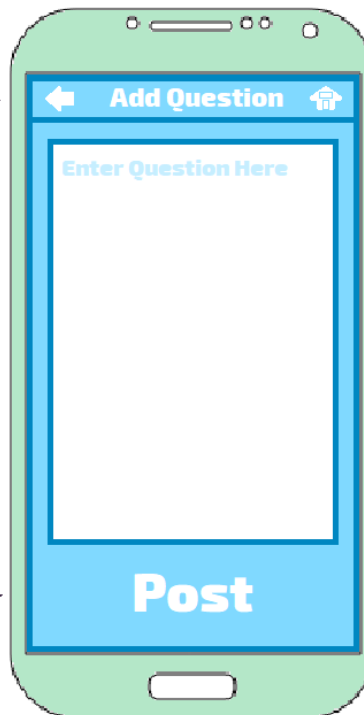

Screen # 7

The user presses the "back" button which will bring the user back to the Q&A Forum.

The user presses the "home" button which will bring the user back to the main experiment overview page.

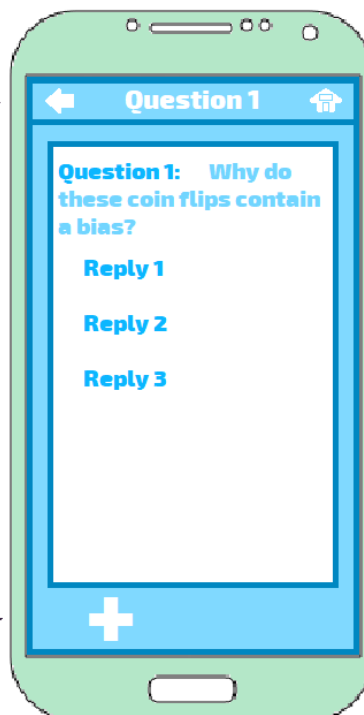

Clicking the "Post" will post the user entered question to the Q&A Forum, as well as returning the user to the forum.
